MEMORANDUM FOR THE RECORD

Morning Meeting of 24 May 1968

25X1

Godfrey noted that deGaulle is scheduled to speak today at 1500 EDT. He advised that the memorandum on deGaulle's options should be ready on Saturday morning.

Godfrey drew attention to the continued maneuvering in the wake of the Panamanian elections.

D/ONE briefed on the status of Estimates in progress.

Carver noted that North Vietnamese Prime Minister Pham Van Dong is making an "important" address this morning.

Maury advised that the CIA Subcommittee of the House Armed Services Committee will probably deal with the cost-of-living increases for CIA retirees in early June.

Maury noted that Russ Blandford expressed concern over yesterday's Washington Post article on the SR-71.

ADD/S&T noted that the SR-71 flew last night and is scheduled to go again tonight.

The Director advised that Eugene Rostow has asked him for  
suggestions on how relations between the Soviets and the Egyptians  
might be exacerbated. The Director asked the DD/P to examine the  
possibilities and thereupon communicate same to Rostow.

The Director noted that the SIG paper on foreign internal defense  
programs, an updating of earlier counterinsurgency policy, was  
approved by SIG yesterday.
